**Ennistymon CBS, you have helped in the fight against world hunger and poverty.
Thank You!**

Dear Gerry and Students of Ennistymon CBS,

I received your incredible fundraising of €2988.55 from this year's Concern Fast. Thanks so much for fundraising for Concern Worldwide, you have provided help where it is needed most, we really appreciate it!

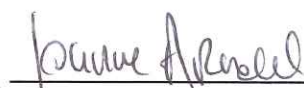

On behalf of everyone on the team in Concern, I want to thank you all for your time, effort and generosity. The students and staff of Ennistymon CBS have been amazing supporters to Concern Worldwide over the years. This support isn't taken for granted and is greatly valued by everyone here in Concern.

For nearly 50 years Concern has been working hard to support millions of people in some of the world's poorest countries. Every day, we work to provide nutritious food to malnourished children, to make fresh and clean water available to very poor communities, to treat people who suffer from diseases, to build schools and train teachers, and so much more.

Please be assured that for every euro donation we receive, only 9.3 cent is spent on administration, fundraising and development education; meaning that 90.7 cent directly supports our work in developing countries. If at any time you would like to see what your donations are helping us to achieve, please visit www.concern.net for all the latest news and videos.

We would also love to hear from you. If you have any query or comment which you would like to share with us, please call me at 01 417 1320 or email joanne.arnold@concern.net. Remember every time you make the choice to support us you do make a difference.

Yours, with my warmest thanks

Joanne Arnold
